VENTURING WEBSITE

<http://www.lighthousedistrict.org/venturing.htm>

Come visit the new Venturing pages on the Lighthouse District Website. Upcoming events, Units and helpful links are just part of what you'll find.

Does your crew or ship have a website? Send me the address and we'll link it.
Do you have an event coming up that you want everyone to know about? Send me the info and we'll put it on the website.

VENTURING EMAIL GROUP

http://groups.yahoo.com/group/LHD_Venturing/

Open to all youth and adult members of crews and ships in Lighthouse District so that we can share reminders, event information, and support each other. Simply go to the site, select "Join this group," and follow the steps.

It is important that your crew have at least 1 youth and 1 adult member on this group, but everyone is welcome.

If you have any questions or comments, please contact
